Rioja Wine

Guarantee of origin – Reds

Typically young fruity and approachable reds - great partner to many different tapas dishes from *jamón* to *paella*.

Crianza

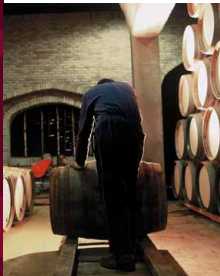

Fresh and juicy with just a hint of creamy vanilla from time spent in oak – drink with *croquetas de jamón*.

Reserva

Aged for at least three years, these are serious wines with concentrated fruit flavours and complex hints of spice – drink alongside some tasty *chorizo* and wild mushrooms.

Gran Reserva

With at least five years' ageing, these rank among the world's finest wines, with intense depth, silky texture, and savoury flavours – try with braised Ibérico pork cheek.
